# PostBase® ONE

PostBase® ONE
Large enough to handle any mail piece that comes your way

The PostBase® ONE's Vertical feeding and modular design makes this the most unique postage meter in it's class. It's robust features and proficient work flow create the perfect combination for high-volume, complex mail runs. The automatic feeder coupled with the dynamic scale and vertical feed feature make pre-sorting mail a thing of the past. Simply load your mail and stand by as the PostBase ONE allocates the appropriate postage based on the size and weight of each mail piece. The innovative design guarantees your important documents maintain their confidentiality from start to finish. With PostBase ONE, you can have the control you need without compromising your time or resources.

USPS® IMI Approved Postage Meter

UNITED STATES POSTAL SERVICE®
Approved IMI Postage Solution

The PostBase® ONE is a fully digital, Intelligent Mail Indicia (IMI)-compliant postage meter designed to fully meet all USPS® standards and requirements. Equiped with a full set of USPS® postal rates and automatic downloads to ensure you always have accurate postal rates without any hassle.

Vertical Feeding

The unique vertical feeding design offers the largest thickness capacity in it's class, and provides less wear-and-tear on the equipment.

Automatic Feeder

Once your mail is loaded, PostBase® ONE will automatically start feeding envelopes for postage.
Power Pump Moistener

Get perfect control over the seal of your envelopes. The Power Pump Moistener lets you adjust the flow of liquid to assure the best seal.
Add-on Products
Get the most out of your Postbase® ONE

Dynamic Scale

The dynamic scale can automatically weigh up to 100 letters per minute while analyzing the weight and shape of the mail piece to calculate the correct amount of postage every time. The Dynamic Scale combined with the Vertical Feeder, makes the PostBase® ONE capable of true mixed-mail processing from start to finish.

Extended Feed Deck

Expand your processing capabilities with an extended feed deck to load up to 280 envelopes on the feed tray.
FP Parcel Shipping
Ship. Track. Save.

Paired with the PostBase® ONE, FP Parcel Shipping is the perfect companion to send packages. FP Parcel Shipping comes equipped with the USPS® shipping rates with the option to add multi-carrier shipping, giving you the power to select the best rate for the day you want your package to arrive.

Saving time and money while sending packages has never been simpler. This online shipping application allows you to easily compare rates and print shipping labels with the tracking barcodes for the carrier and service selected.

FP Parcel Shipping also offers:

• Discounted Commercial Plus® Pricing
• Free insurance on Priority Mail® and Priority Mail Express® (up to $100 value)
• CASS address correction and validation
• Package tracking dashboard with email notifications
• Add-on multi-carrier rate shopping option

Label Printer
(optional)

External Scale
(optional)

Prints IMpb compliant tracking labels on letter size paper or 4" x 6" thermal shipping labels

SealCheck Sensor

Exclusive to FP's PostBase® line, SealCheck envelope sealers ensure security by validating that each envelope passes through the sealer.

Adjustable Touchscreen

Fast, simple and easy to operate using smartphone technology and an icon driven menu that everyone is familiar with.

Power Pressure Sealer

This feature ensures all of your envelopes are sealed and secure by pressing the envelope tightly closed before stacking.
