

FP[®] Parcel Shipping
Ship. Track. Save.

FP[®] Parcel Shipping

Ship. Track. Save.

FP Parcel Shipping is a simple, step-by-step, online shipping application that allows mailers to create shipping labels with tracking, qualify for discounted USPS[®] rates and manage shipments with end-to-end real-time tracking.

This scalable solution offers the ability to add UPS[®], FedEx[®] and DHL providing the ability to compare shipping options across carriers making it easy to select the best rate for the date and time the parcel needs to be delivered.

Ship.

Guided by the intuitive ship wizard, shipments are quickly created with ease.

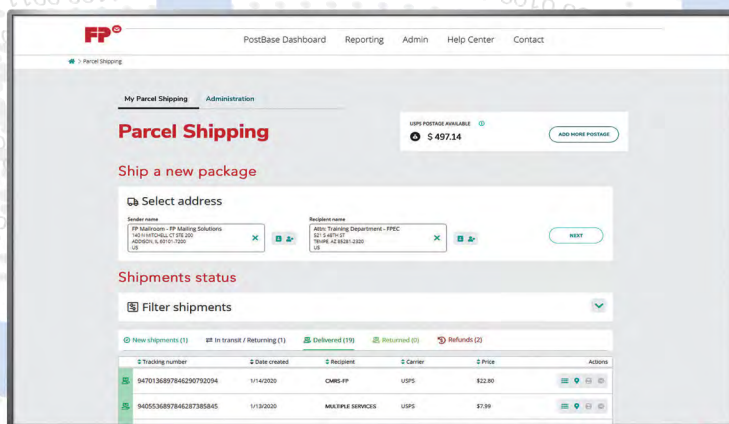

Track.

Online dashboard provides an at a glance view of all shipments by status. Recipients can receive tracking information by email.

Save.

Qualifies for significantly discounted USPS[®] commercial and CPP pricing. Rate shopping ensures selecting the best rates.

**Save Time
and Money
with
Ship/Shop.**

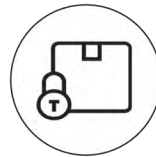

Get the best rates.

USPS® Commercial Plus Pricing saves up to 40.4% on Priority Mail®, up to 16.9% on Priority Mail Express® and gains access to USPS® cubic rates.

Ship/Shop.

Easily compare rates across services and multiple carriers with savings that add up.

Protected with free insurance.

Receive up to \$100 free insurance on Priority Mail® and Priority Mail® Express.

Address validation.

Prevent mis-shipments or delays with CASS® address validation and correction.

Package tracking.

Manage and track packages with easy search tracking dashboard.

Tracking email.

Automatically email recipient tracking and parcel information for better customer service.

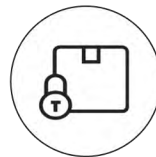

Single address book.

Simplify address book management by using only one address book to use for both USPS® and carrier shipments.

Ship internationally.

International rates and customs declaration and forms are built-in.

Print tracking labels.

Print IMpb compliant tracking labels on letter size paper or 4x6" thermal shipping labels.
